 - Removal at end of season.

ACCESSORIES: The following are available as accessories to mooring packages

- Pick up stick (8') *All moorings supplied with a 6' Pick up buoy
- PVC Buoy (6' PVC tube through center of buoy with a single pennant)
- Special rigging(as requested)

CUSTOMER RESPONSIBILITIES:- Provide chafing gear at cleats and chocks to prevent damage. (Please note that additional charges will apply for replacement of any pennant, or pick up stick due to neglect.)

- Check pennant(s) often for chafing at cleats, chocks, bow pulpits and underwater connections at inflatable buoys.
- Do not attempt to repair mooring yourself.
- Notify us of any excessive barnacle growth at pennant connection or buoy.
- Contact us immediately in case of fouling, damage to pick up stick or pennant, or movement off station. Volpi Marine will gladly untangle pennant lines at anytime.
- Inform us promptly when your boat is removed from the mooring.

STATUS REPORTS:-When your order is received, we will send you a confirmation card

- When your mooring is installed, we will send a second card, or phone conformation.
- Please feel free to call if you wish to check on the status of your mooring.

LIMITATIONS:-Volpi Marine appreciates that you have committed a substantial investment to your boating activities. For your protection, our moorings meet or exceed the mooring specifications of all-local townships and municipalities. While we use the best quality materials and the greatest care in assembling and installing our moorings, we cannot assume responsibility for your boat or its safety in conjunction with mooring rental. We ask your cooperation in assuring the safety of your boat and urge you to make periodic inspections of all pennants and connections and report all problems to us.
